#1

YELLOWSTONE NATIONAL PARK OLD FAITHFUL TOUR

Ride a park-approved snowmobile to see animals galore in
their natural habitat and the "granddaddy of dependability",
Old Faithful, as well as many other geysers and thermal pools.

#2

THE GRAND CANYON OF THE YELLOWSTONE TOUR

The upper and lower Falls (308 ft) are spectacular with snow
clinging to the canyon walls and an ice bridge that forms at the
bottom, an unbelievable sight. Watch for wildlife along the way.

#3

THE FAR SIDE OF YELLOWSTONE TOUR THE ROAD LESS TRAVELED

Combine tours #1 and #2 and complete the lower loop.
Higher speed limits on the "Far Side" allow this 130-mile
adventure to be seen in one day. Additional \$25 per sled.
Experienced riders only. Call for availability.

#4

OVERNIGHT YELLOWSTONE ADVENTURE LAMAR VALLEY WOLF TOUR

This two-day, one-night adventure takes you through
Yellowstone to an overnight stay in Gardiner. Tour Lamar
Valley in our van and return to West Yellowstone on a
snowmobile. Call us for pricing and your full itinerary.

YELLOWSTONE SNOWCOACHES

In addition to snowmobiles, we offer an alternate
transportation experience – the snowcoach.
The snowcoach allows you to sit back and leave
the driving to us with a controlled temperature.

We convert our summer touring vans into
customized winter snowcoaches by replacing the
wheels with tracks and skis. With their large
clear viewing windows, spacious seating and
headroom, our wide variety of snowcoaches are
perfect for any group.

For more information, or to request your
Yellowstone Snowcoaches brochure, please call
or visit our website.

IN WEST YELLOWSTONE

JUST STEP OUT OF YOUR ROOM, JUMP ON YOUR SLED AND OFF YOU GO.

With hundreds of miles of groomed trails, powder and mountains to ride, you'll soon realize why this winter wonderland has often been referred to as the...

“SNOWMOBILE CAPITAL OF THE WORLD”

YOU WILL MARVEL AT NATURE as winter turns trees into “Snow Ghosts” on Two Top Mountain. Ride out a little further and feed the trout at Big Springs, or go moose hunting (with your camera) at Red Rock Refuge near Elk Lake.

PRIVATE GUIDES are available outside the Park as well. Our guides are fun, know the best places to take you, and will match this awesome snowmobile terrain to your wishes and abilities.

FOR THE EXPERIENCED RIDER In search of a real adventure? Ride the “Far Side” of Yellowstone. See Yellowstone Tour #3.

BACKCOUNTRY ADVENTURE Ride the Upper Tepee Basin, Lion's Head and Centennial Mountain Range**. The scenery is breathtaking and the terrain will test your skills. Our performance mountain snowmobiles have longer tracks, deeper lugs and more CC's.

**Your safety is our number one priority, so all guests taking this tour will be required to undertake a short avalanche training course. Avalanche kits will be supplied. Please inquire about additional costs for this Back Country option.

We have been providing fun, hassle-free winter snowmobile rentals and complete packages since 1971. We love what we do and so will you.

If you want to ride hard and go home tired or take a more leisurely, sight-seeing trip into spectacular scenery and unequalled snowmobiling, West Yellowstone is the place.

West Yellowstone is the mecca for backcountry snowmobile riding. With 600 miles of groomed trails, deep powder, and back country riding to test your skills, SeeYellowstone.com can put it all together for you. You can rent from our wide array of two or four-stroke snowmobiles and ride on your own, or go with one of our local, experienced guides. They will make sure you have the best time getting to where you want to go.
